We prefer to receive your presentation in PDF format at least half an hour before the start of your presentation. A PDF with your presentation can also be sent by email to the address horainf@cs.cas.cz.

If you plan to use software other than the above during the presentation, we recommend that you use your own laptop with the appropriate software. Due to the online transmission of the presentation, it is desirable to have the ZOOM conference software installed so that the content of your laptop screen can be disseminated via this platform.

If you have any other requirements for the technical and software provision of your presentation, contact the organizers at horainf@cs.cas.cz.

HORA INFORMATICAЕ (meaning: TIME FOR INFORMATICS) is a broad-spectrum scientific seminar devoted to all core areas of computer science and its interdisciplinary interfaces with other sciences and applied domains. Original contributions addressing classical and emerging topics are welcome. Founded by Jiří Wiedermann, the seminar is running since 1994 at the Institute of Computer Science of the Czech Academy of Sciences in Prague.
